phone. Using alerts allows 51 East to send to you important information about your water system.

Our next phase for the web site will be to allow members to pay their bill using your credit, debit or checking account. We hope to have that piece in place early in the New Year. As part of the bill paying options, you will also be able to use your smart phone to pay your bill and view your statements at anytime via the web.

Some features of the new website include:

- Subscribe to Text Alerts
- Bill Payment Options and Instructions
- Utility Rates and Information
- Customer Service Contact Form
- New Service Request Form
- Frequently Asked Questions–and Answers
- Current and Proposed Utility Projects
- Utility Reports and Forms
- Board Schedule and Meeting Minutes

These features are just a few that are available on the 51 East Website. Please check out the new site and let us know how to improve it.
