## *Annual Meeting of Members*

The 2017 Fifty-One East Water, Inc. annual member meeting will be held Tuesday, November 14 at 6:00pm. The meeting will be held at the Payne County Expo Center located at the corner of Fairgrounds and E 6<sup>th</sup>.

During the meeting, Member's will be presented information about the financial status of the corporation, hear reports from the current board, committees and manager about the corporation and about past and planned projects

The current board, the manager, employees and staff of the corporation will be in attendance, and will be available to answer questions about the corporation and your water service.

Attending the annual meeting is an excellent way to gain some understanding of the workings of the corporation, situations that impact your service and our plans for the future. Members in attendance may also vote for Board members to fill expiring positions. There are two positions open at this year's meeting.

A catered buffet style dinner will be provided and there will be a raffle for several door prizes awarded to Members in attendance.

Members interested in attending the meeting must RSVP by contacting the office by phone at 405-372-1151 or by e-mail [51east@provalue.net](mailto:51east@provalue.net). Please indicate the Member's name, account/tap number, and the number attending.

Please note that attendance to the Annual Member Meeting is open to corporation Members and their households only. Tenants, renters, or other occupants are not eligible to attend or to vote at the Annual Member Meeting.

Regular board meetings are open to members, renters, tenants and the general public.

## *Good News*

A new drive-by meter reading system will be installed over the next several months. This system will provide better, more accurate meter reads along with additional information about your water use such as identifying potential leaks, abnormal usage patterns, etc. Meter reading will also take significantly less crew time, allowing the crew to focus on maintaining and improving the system overall.
