RE: Rate Increase Notice

51 East received a rate increase schedule from the City of Stillwater. Over the next five years they will have an increase every year; the dates each increase will take place are as follows:

2024 effective date January 1, 2024  
2025 effective date July 1, 2024  
2026 effective date July 1, 2025  
2027 effective date July 1, 2026  
2028 effective date July 1, 2027

Due to the 14.3% increase Stillwater is implementing 51 East has to raise our rates and water availability fee by 8% to cover the extra costs of water and operating expenses. This rate increase will be effective starting January 1, 2024. This covers the first rate increase Stillwater will be implementing.

Our new water rates priced per 1,000 gallons are as follows:

• Up to 3,000 gal.	\$11.02
• 3,000 – 4,000 gal.	\$11.12
• 4,000 – 10,000 gal.	\$11.40
• 10,000 – 30,000 gal.	\$11.61
• 30,000 – 50,000 gal.	\$12.15
• >50,000 gal.	\$13.01

The water availability fee will now be \$29.16.

Sincerely,

Taylor Wilson
